

GAMA MACHINERY USA, INC

“CLASSIC” GH Series

Hydraulic Foam and Coatings Proportioners

GH-25-2000 GH-25-3000
GH-40-2000 GH-40-3500

“BACK TO BASICS”

Gama upholds a policy of designing equipment with the CUSTOMER in mind.

So when we asked our distributors and veteran contractors

What do you change and what do you keep the same when it's time to update an ICON?

The resounding response was go Back to Basics

Gama is proud to introduce our “Classic” series of foam and coatings proportioners, built by the Paragons in the industry offering the customer a relay logic proportioner that incorporates the highest industry standards for plural component proportioning.

Gama-USA equipment is designed to provide the applicator with easy to use and service spray equipment that meets the demands of today's market place.

FEATURES:

- Open Frame design for ease of service
- Innovative Pump Base Design provides smooth operation with minimal pressure drop
- Machine functions controlled by proven relay logic technology which allows for easy in the field troubleshooting and low cost repairs: **No Printed Circuit Control Boards!**
- Point to Point wiring for ease in troubleshooting
- High Efficiency Mass Style Heaters
- Easily Accessible Hose Heat Transformer with Tap Settings
- Improved Heated Hose Assemblies
- Innovative TSU Designed for Clean, Inexpensive on the Job Replacement
- Rexroth 18cc Hydraulic pump on all models
- LED display for cycle count, hours, hose voltage and amperage
- Made in the USA

Technical Specifications

MODEL	GH-25-2000	GH-25-3000	GH-40-2000	GH-40-3500
Output	25 lbs/min	1.3 Gallons/min	40 lbs/min	2.5 Gallons/min
Maximum working press	2000 psi	3000 psi	2000 psi	3500 psi
Maximum hose length	310 ft	310 ft	410 ft	410 ft
Heater Capacity	10Kw(12Kw optional)	10Kw(12Kw optional)	15Kw(18Kw optional)	15Kw(18Kw optional)
Hose Heating Power	90 Volts	90 Volts	120 Volts	120 Volts
Weight	420lbs /590lbs	420lbs /590lbs	420lbs /590lbs	420lbs /590lbs
Electrical @10 Kw Htrs	35 amps@ 3x230V 70 amps @ 1x230V	35 amps@ 3x230V 70 amps @ 1x230V		
Electrical@12 Kw Htrs	43 amps @ 3x230V 80 amps @ 1x230V	43 amps @ 3x230V 80 amps @ 1x230V
